"Building *your* mobile workplace, with *your* specific needs in mind"

Magnum Mobile has developed many wonderful client relationships and our family is growing rapidly through our commitment to high quality materials and world-class workmanship. Magnum Mobile prides itself on the focus we give to the individual needs of our client's making sure we provide the most optimal and easy-to-use mobile workplace. We guarantee superb service throughout our partnership, even after your specialty vehicle leaves our manufacturing facility.

3 Step Process

1

Identify your services and determine how many staff members will be working inside the mobile unit.

2

Identify the size of the mobile unit needed for your services and team size.

3

Determine and create a floorplan for your ideal mobile workplace.

"Your relationship will not end when the truck arrives but last a lifetime. Magnum is helpful with quarterly reminders and always willing to answer questions that might arise. Recently after an accident with my truck Magnum helped me get the parts needed to put it back together saving me time and stress. I can not say enough praise for Magnum Mobile. The only company to work with!!!"

Teamwork makes the dream work

As a leader in the Mobile Workplace Industry, Magnum Mobile Specialty Vehicles has been providing the highest quality designs and standards for both medical and animal institutions. With our commitment to high quality materials combined with our world-class workmanship and customer service, Magnum is ahead of its generation and will continue to be superior for years to come. Choosing the right manufacturer and floorplan upfront in the new build process is a key collaboration. From the start, you will want to be comfortable with your manufacture and client relations manager, as you will be working with them throughout the build of your specialty vehicle.

All mobile workplaces designed and built at Magnum have a skilled, highly trained team dedicated to your specific build. Each floorplan is reviewed and checked throughout the build for its function, purpose, and superior quality. Standard operating procedures are always in place with a double checklist to make sure each Magnum Mobile workplace will be built to last.

“Purchase process was easy, Magnum helped with financing and logo/wrap for vehicle. Excellent service, very helpful. I have had a few warranty issues, all handled quickly and to my satisfaction. Magnum is always helpful and very easy to deal with.”
